

# Wii are CRUISING

**Taste of Portage Market Fair 2008**  
**Friday, August 22 & Saturday, August 23**

Gear up for this year's Taste of Portage as we bust out some new bells and whistles. Spend a great August weekend in Portage with our Friday night car cruise. Sample delicious foods and tap your toes to live music from The Midwesterners in Market Square.

Catch the Nintendo Wii fever on Saturday as we offer the gaming experience of a lifetime. Challenge your friends and family on one of four *80-inch video screens* at the Wii gaming kiosk. Friday night's festivities *plus* the great line of traditional Saturday's activities—including live music from Restless and balloons and magic from Lochlan the Magician—will make a fun-filled *weekend* for the *entire family* in downtown Portage.

**But we can't pull this off without your support!!**

We are looking for sponsorships to help cover the cost of some of the events. All donators will be recognized in all possible publications & the day of the event. Here is your opportunity for great community involvement and an association with a great Portage tradition.

Place a dollar amount next to the event you would like to sponsor or the amount you would like to contribute as a general cash donation and return this form to our office ASAP. Sponsorships will be honored on a first-come, first-serve basis.
